Caroline Myss - Archetype Cards (Hay House) Caroline states we have several archetypes in common present in all of us, which are imperative to our very survival. However, the degree to which any of these archetypes is active can vary greatly from person to person and is very much linked to how they impacted us in our formative years.

This archetype has far more aspects than are commonly considered, including not just card sharps and racetrack gamblers, but also drug addicts, entrepreneurs, and day traders. The Gambler is also active in the psyche of people who take risks in politics and other social activities that amount to gambling with one's reputation.

Simply put, an archetype is a set pattern of behavior. Plato referred to archetypes as Forms, which he saw as pre-existing ideal templates or blueprints.

Archetypes are what Carl Jung called “primordial images” and the “fundamental units of the human mind.” Every character you see on television and in films represents an archetype.
