— Kirkus (starred review) “ Battling the Gods is a timely and wonderfully lively reminder that atheism is as old as belief. Skepticism, Whitmarsh shows, did not slowly emerge from a fog of piety and credulity. It was there, fully formed and spoiling for a fight, in the bracing, combative air of ancient Athens.

Whitmarsh explains this in the last parts of his book. This is the most important message in his book and it relates to Constantine the Great (c. 272 - 337 CE). Constantine, to cement his dynasty and protect the Roman empire from the collapse it was experiencing in the west, decided to move his capital to Constantinople (modern Istanbul). Another edict he issued in his reign was an order ...
