Heroes is basically about people committing mass murder and/or suicide and how capitalism is responsible for it. I am absolutely no fan of capitalism. No, I am not a Marxist (in fact, I despise communism), but I do recognize that capitalism, if not regulated and checked by the State and the citizens, is a destructive and predatory force that ...

Franco Berardi - Wikipedia

Suicide is an epidemic that we tend to think of as a modern thing. While suicide rates have gotten worse in the US and are projected to get worse in developing countries, humans have been taking their own lives for about as long as we've had the tools and knowledge to do so. It's a tragic event for all parties involved, especially the friends and family of the person who passed on, leaving ...
