Robin

The European robin, or robin redbreast, is a chat-thrush (subfamily Saxicolinae) that breeds throughout Europe, western Asia, and parts of North Africa. It is migratory in northern Europe but only partially so or sedentary farther south. It is a plump, small-billed bird, 14 cm (5.5 inches) long, with brownish olive upperparts, white belly, and ...

Robin | bird | Britannica

The quintessential early bird, American Robins are common sights on lawns across North America, where you often see them tugging earthworms out of the ground. Robins are popular birds for their warm orange breast, cheery song, and early appearance at the end of winter. Though they're familiar town and city birds, American Robins are at home in wilder areas, too, including mountain forests ...

Robin is the name of several fictional superheroes appearing in American comic books published by DC Comics. The character was originally created by Bob Kane, Bill Finger, and Jerry Robinson, to serve as a junior counterpart to the superhero Batman. The character's first incarnation, Dick Grayson, debuted in Detective Comics #38 (April 1940). Conceived as a way to attract young readership, Robin ...

Robin (character) - Wikipedia

A very familiar bird over most of North America, running and hopping on lawns with upright stance, often nesting on porches and windowsills. The Robin's rich caroling is among the earliest bird songs heard at dawn in spring and summer, often beginning just before first light. In fall and winter, robins may gather by the hundreds in roaming flocks, concentrating at sources of food.

American Robin | Audubon Field Guide

Robin definition is - a small chiefly European thrush (*Erithacus rubecula*) resembling a warbler and having a brownish-olive back and orangish face and breast.

Robin | Definition of Robin by Merriam-Webster

Robins eat different types of food depending on the time of day: more earthworms in the morning and more fruit later in the day. Because the robin forages largely on lawns, it is vulnerable to pesticide poisoning and can be an important indicator of chemical pollution. The oldest recorded American Robin was 13 years and 11 months old.

Robin | Batman Wiki | Fandom

The American robin (*Turdus migratorius*) is a migratory songbird of the true thrush genus and Turdidae, the wider thrush family. It is named after the European robin because of its reddish-orange breast, though the two species are not closely related, with the European robin belonging to the Old World flycatcher family. The American robin is widely distributed throughout North America ...
