The Good Psychopath's Guide to Success - Wikipedia

The Good Psychopath's Guide To Success has been an experience. The book has a conversational and informal tone that makes it quite entertaining to read (though this can sometimes make it drag in parts), while imparting the necessary facts and knowledge to back up the claims of the authors' anecdotes. One personal point to note: McNab uses experiences from his actual SAS training and service throughout the book, and on more than one occasion references being stationed in my country.
