convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

The Undiscovered Self

Read Online The Undiscovered Self

One of the seminal works of Carl Jung, pioneer in modern psychiatry and one of history's greatest minds. His "undiscovered self" speaks to the duality of the human psyche and the importance of understanding the "undiscovered self" before understanding the dangers imposed on each individual by the mass society.

Read Online The Undiscovered Self

The undiscovered self is an aspect of human existence that should be accessed so that we can gain self-knowledge and resist ideological fanaticism. To be able to do this, we must face the duality of the human psyche, and acknowledge the factions of both good and evil in us, and 'hold' the opposites in balance.
